

Class	Cost	Description	Maximum Participants	Class Duration	Instructor
Alcohol Ink Lanterns	15	Explore the wonderous world of alcohol inks and how they work on paper! Play with dropping, brushing, blending, and see what happens when you add a little more alcohol to create a fun and funky paper lantern. Then if you want, add tulle, ribbon or string to give it a little more pizzaz. Open to ages 14+ but younger may attend with parental assistance.	6	1.5	Cora
Alcohol Ink Tiles	20	Alcohol inks are fun, unique and have a mind of their own. Come explore how they work and interact with each other, other mediums, and even flames while making some gorgeous ceramic tiles. Once you have your masterpiece, seal your tile with UV resin to create a piece safe for use in your bathroom, outdoors, or around the house. These make fun pieces of art, amazing coasters, and so much more. Artists will be able to make four tiles. Ages 16+	6	2	Cora
Beaded Axolotls and Lizards!	15	Hard to spell, but easy to make! Transport yourself back to the 90's with Crafter Darcy as you make these fun and nostalgic bead Axolotls and Lizards. We'll be using pony beads for beginners, or try seed beads for a little more of a challenge!	8	2	Darcy
Beaded Bobby Pins	15	Play with seed beads, wire and buttons in this fun class. Design your own hair pins playing with color and wire wrapping techniques. In this workshop you will create at least one pair of pins (more if there is time). Recommended for ages 14+	8	2	Darcy
Beaded Layered Rings	20	These beaded layered rings are super fun to make and wear. Wear them all together, or split them among your fingers. Choose your style, design and colors and we will give you the tools to make three+ stretchy rings. Recommended for ages 14+	8	2	Darcy
Beaded Rings	20	Have a blast with seed beads as you learn a basic beading stitch that allows you to "weave" without a loom. Starting small (with a ring you design) you will learn how to create beaded rows that can be joined together. This technique can be built upon at home to create bracelets, necklaces, bookmarks and much more! Please note that you will be working with thread and small beads and dexterity is needed. Recommended for ages 14+.	6	2.5	Darcy
Bee Bath	20	Make a Bee-autiful little bee bath to keep your pollinators happy and hydrated this spring! These adorable works of garden art will be made from your choice of pottery or glass decorated to fit your own garden haven preferences. Fill with decorative rocks, stones or glass, add water, and help our little flying friends! We do recommend you bring your bee bath in during the winter to help it last longer.	10	1.5	Cora
Beginners Embroidery	20	Join Darcy as she teaches the most commonly used embroidery stitches. In this class you will learn about the tools and materials needed to create your own sampler piece. Choose your own colors and follow along with Darcy as she shows you how to combine floss with printed fabric in a number of different stitches- giving your piece depth and texture. Meet others interested in the art and then feel free to come back and join our monthly social Fiberholics workshops. This class is recommended for ages 12+.	8	1.5	Darcy
Beginning Weaving	15	In this class, learn the basic techniques of weaving to create your own wall hanging. Choose from a variety of colors, materials, and styles of yarn and rope to make your very own hanging art piece! While the technique is fairly simple, this can be a time-consuming process, so learners may need to complete their project at home. \$15/project. Recommended for ages 12+.	8	1.5	Cora
Bird Seed Ornament	10	Feed the birds with your very own unique bird seed ornaments. You'll learn all the techniques necessary to make these tasty treats for all your feathered friends. \$10/participant allows you to make several ornaments. All ages, though kids under 12 must be accompanied by an adult.	10	1.5	Cora
Butterfly Flower	15	Created from paper and felt, these stunning wall flowers are sure to shout a statement. Choose from a butterfly or heart pattern and pick your own color scheme to make this gorgeous flower. This project is time consuming and has lots of repetition. Recommended for ages 12+	8	2	Cora
Button Painting	15	Try your hand at stacking buttons to make cute pictures! Technically not "painting" but a fun mixed media way to create new art. Choose from several animal themed images, or create your own from scratch. Then build your way with glue and buttons to a create your 3-D masterpiece. Recommended for ages 14+	5	2	Cora

Candlemaking	25	Learn about wax, color and fragrance in this candlemaking class. We'll go over the tools of the trade, what to (and what not to) do, and some helpful hints and tips to get you started in your journey. You'll walk away with a few handmade candles of your very own once all is said and done. Candles take a while to cool, so plan on hanging out for a while after class, or feel free to arrange pick up at a later time. Ages 16+. Under 16 may be accompanied by an adult.	6	2	Cora
Cascading Flower earrings	20	Welcome in Spring with a beautiful pair of your very own floral earrings. Learn to work with jump rings, head pins, charms and glass beads as you create a pair of earrings that are uniquely yours. Recommended for ages 12+.	8	1.5	Darcy
CaTi Plants	20	These CaTi figures are super cute and fun to make. We provide the supplies and you can let your imagination run wild. You can paint the cat as well as the pot, chose to add flowers or not and even chose the types of rocks you would like for your pot. Follow our design or create your own. Recommended for ages 14+	10	1.5	Darcy/Cora/Arlene
Coiled Wire & Bead Bracelet	25	Learn the basic techniques for using wire wrapping to connect beads in this hands-on class. By the end of the lesson, you'll be able to make your own necklaces and bracelets with ease. You'll be able to combine your new skills with a variety of beads to make your own creation to take home. Recommended for ages 14+	8	2	Darcy
Confetti Candles	15	Time to get messy and play with hot wax on a table! These confetti candles are super fun and crazy cool. Make a variety of colors of wax bits, add some bling and glitter, then pour more wax over for a unique look and fun burning experience. Because we are handling hot wax, this class is for ages 16+ only.	6	2	Cora
Crescent Moon Wall Hanging	15	Create your own unique Crescent Moon Wall/Door Hanging. Learn how to form and wrap your moon from a traditional wreath frame. Choose from a variety of yarns and twines as your base, and add a variety of beads, buttons, flowers and/or other embellishments to make your perfect décor. Recommended for ages 10+. Under 12 requires parental supervision	10	1.5	Cora
Cricut Cozies	15	Level up your beverage protection game this year with your very own custom can cozy/coozie. We'll be using foam cozy bases and decorating with heat transfer vinyl. We'll take you on a tutorial of Cricut design space and show you how to create (and mirror) your design, then print, heat press, and voila! You'll have the coolest coozie in the neighborhood! This is an excellent chance to try out cricut making on a small scale. Recommended for ages 14+	8	1.5	Cora
Crochet 2.0	15	Single crochet will only get you so far! Crochet 2.0 is a continuation class for those who have already mastered single crochet and are ready to move on to more complicated stitches. We'll be focusing on half double crochet, double crochet, triple crochet, and more complicated stitch patterns like shells, clusters, puffs, and seed stitches. Special stitch requests are gladly accommodated! Crocheters should already be proficient with single crochet before taking this class. Hook and yarn will be available, or bring your own if you prefer.	4	1.5	Cora
Crochet Crash Course	20	Learn to crochet in two hours? Yes please! In this beginner course, we will go over the basic tools and supplies needed to crochet, learn the terminology, and explore some of the stitches you can use later to make amazing crochet pieces. This is a fast paced course with lots of information! Recommended for ages 14+	6	2	Cora
Crochet in the Round	15	Ready to take your crochet to the next level? In this class we will focus specifically on how to crochet flat circles. Crocheters will learn how to make a magic circle and perform necessary increases and decreases to create rounds that are nice and flat. You should already be confident with single crochet before taking this class. Hook and yarn will be available, or bring your own if you prefer.	4	1.5	Cora
Cyanotype	10	UV paper is a creative way to make a piece of Art with stencils, nature and sun. Our class will show you how to create something beautiful with minimal effort. Come see us for fun and sun! All ages welcome though children under 14 are required to have an adult present to help.	8	1	Arlene
Daisy Chains	20	Find your flower power with our fun, kid-friendly Daisy Chain class! Geared towards children 10 and over (though any age is welcome to attend). Crafters will learn the technique to create these darling daisies and will make a bracelet in the class. However, the technique can be used to make rings, necklaces, earrings, and so much more!	8	2	Darcy

Double strand Freshwater Pearl Bracelet	40	Nothing says "elegance" quite like pearls. In this class we will use fresh water pearls to create a double strand bracelet. Mix your colors and shapes then incorporate other stunning beads to make your very own timeless and classic masterpiece. Recommended for ages 14+	8	2	Darcy
Dyed Silk Scarves	75	Join local artist extraordinaire Payette Still of Payette's Fine Art for a fabulous silk scarf dying class. Get creative mixing your colors, creating your negatives, and turning out a one-of-a-kind silk masterpiece. All supplies are included. Dye does have to be set once the scarf is finished, so artists will need to arrange to come back and pick their scarf up later. Due to the size of equipment used, space is VERY LIMITED!! Ages 14 and older.	5	2	Payette
Earrings 101	25	Master Crafter Darcy Jones will be teaching this fabulous class all about how to make earrings. Crafters will learn the various techniques to make stunning jewelry and will get to pick out their own jewels and gems to make their own unique creations. \$25/person includes all materials to make several pairs of earrings. Recommended for ages 14+.	8	1.5	Darcy
Fairy Houses	30	Legend has it that if you build a fairy house and leave it in your garden, a fairy might just come take up residence. Make sure your fairy has the best house on the block. We'll be starting with a plain 8" birdhouse and adding decorations and features to suit your style. Go natural with a variety of locally sourced barks and mosses, or give your friendly fae a little bling with rhinestones and beads. What magic will you create? Recommended ages 12+. Under 12 allowed with parental supervision.	8	2	Cora
Fairy Jars	30	In this workshop we will create your very own "fairy jar". We will have a variety of themes and so your imagination can run wild as you create a glowing home for one creature or another. Did we mention there will be glitter? Recommended for ages 12+	6	1.5	Darcy
Felted Gnome	20	Make this adorable felted gnome wall hanging. 2D felting (also known as felt painting) is a great way to learn about needle felting and get some practice before moving on to more complicated items. Draw, twist and stab your way to making this little gnome friend in whatever colors you choose. Felting uses incredibly sharp needles so this class is recommended for ages 14+.	6	1.5	Cora
Freshwater Pearl Earrings	40	Join us for an enchanting evening of creativity as you dive into the art of crafting your own pair of exquisite freshwater pearl earrings. You'll learn the techniques to design and assemble two pairs of stunning earrings. These timeless accessories will be yours to cherish or gift to someone special. Unlock your inner artist and discover the joy of wearing handcrafted jewelry!	8	1.5	Payette
Friendship Bracelets	15	Friendship bracelets are classic, fun, and a great beginner project for all ages. You'll learn about two different styles of friendship bracelets and be able to pick your colors and design to make your own. Recommended for ages 10+	6	2	Darcy
Glow Glass Bracelets	25	These bracelets are sure to light up some gloomy spring days! Join master crafter Darcy Jones of Serial Crafter and learn the magical art of these glow glass bead bracelets. Crafters will be able to customize their own color scheme to make a truly lustrous unique creation. \$25/person. Recommended for ages 14+	8	2	Darcy
Granny Squares	15	They may sound old-fashioned, but there is nothing cooler than Granny Squares. In this class, crocheters will learn the basic pattern to a granny stitch and learn how to make it straight, round or square. You'll be stitching like a...erm...granny by the time you are done! You should already be confident with single crochet before taking this class. Double crochet a plus, but not required. Hook and yarn will be available, or bring your own if you prefer.	6	1.5	Cora
Hand Knitting and Finger Crochet	10	Learn to make your very own creation using nothing but yarn and your own hands in our finger knit/crochet class. No experience necessary! We will walk you through how to create strings of knit/crochet that can be used to turn into scarves, belts, bracelets, and so many other things. We will also cover some easy variations to make your creation as unique as you are. Recommended for ages 8+	10	1.5	Cora

Kids Intro to Jewelry Design	30	Join Darcy as she teaches the basics for earring and bracelet making. Learn about the tools, findings (parts) and beads while you create two pairs of earrings (pierced or clip-on) and a bracelet! Recommended for ages 8+.	6	2	Darcy
Layered Bracelets	20	Join us as we create layered stretch bracelets using a variety of designs, colors and bead types. Find a style that you love and we will help you to create a combo of at least three bracelets. Recommended for ages 14+	8	1.5	Darcy
Leather Wrapped Bracelets	35	Come play with leather, cording, and beads of stone and glass as we make multi layer leather bracelets. This style of bracelet is always in and make wonderful gifts. Come and choose your materials and colors and create something uniquely your own. This does take some dexterity and so is not recommended for children under 14.	8	2	Darcy
Lotion Bars	20	Explore some amazing ingredients to customize and create your very own lotion bars! Choose from a variety of things like beeswax, candelilla wax, shea butter, cocoa butter, coconut oil, and so much more to make a moisturizing bar that is as unique as you. These bars are great on your skin and lips. They only take about 20 minutes to cool so you'll get to leave with three of your very own bars when class is over. Recommended for ages 14+ though younger can attend with an adult's assistance.	6	1.5	Cora
Macrame Feather Wall Hanging	25	Learn one of the most simple macrame projects ever (feathers) and elevate them (literally and figuratively) by combining the art with different color combinations and in such a way that they can easily be displayed on your wall. Recommended for ages 12+	8	2	Darcy/Cora
Macrame Plant Holder	15	See what you can create with just a couple of pieces of rope! Learn some basic knots and choose from different patterns to make your own plant hanger. Bring your own pot from home or choose from one of our plastic ones as your guide, then add colors and even some beads for something fun, funky and unique. Recommended for ages 14+. Younger may attend with parents help.	6	1.5	Cora
Macrame Rainbow Keychains	15	Play with colors and design and while learning how to make a macrame rainbow. We will teach you the technique (as well as a couple variations) as you make a keychain. You can take these same techniques home to make larger versions of this pattern to bring a little color and cheer to your home. Recommended for ages 14+	8	1.5	Cora
Macrame Yarn Wall Hanging	15	Make this gorgeous macramé style wall hanging out of a wooden hoop and yarn! Super simple but sure to impress. Learners can choose their color of yarn and will learn a few variations to make their creation unique. Add buttons or beads for a special touch! \$15/project includes all supplies. Recommended for ages 15+	8	2	Cora
Magic Wands	10	Grab the family and join us as we make magic wands. Using a large variety of materials, you can design and decorate your wand to your heart's content. Wands are \$10 a piece and constructed from wood. Recommended for ages 5+	8	1	Darcy/Cora
Memory Wire Cuffs	25	Get creative with memory wire and beads with these gorgeous wire cuffs. Memory wire is one of the easiest mediums for stringing beads. It is incredibly durable and holds its shape well. Crafters will be able to make one large or two small bracelets to turn into a cuff. Recommended for 14+.	6	2	Darcy
Mixed Media Bookmarks	15	Create your very own, one-of-a-kind metal bookmark. Darcy will walk you through how to decorate using alcohol ink, glitter, resin and more to make your bookmark. With all the options, it's sure to be a page turner! Recommended for ages 12+	6	1	Darcy
Mosaic Tile Rocks	45	Students will create unique pieces of garden art using glass, chain and beads adhered to a stone. Through hands on instruction, students will learn the fundamentals of mosaic art, including design and basic techniques for cutting and shaping materials. No previous mosaic experience is necessary. Students are welcome to bring a small piece of jewelry or beads with sentimental value to incorporate into their design.	6	2.5	Barb

Origami Kusudama Flower	20	Learn to make your very own origami Kusudama Flower ball. These beautiful balls look very complicated and impressive, but are actually quite easy to fold. Learners will be able to choose from a variety of sizes of paper and colors to make their flower ball completely unique. Buttons, gems or lights can also be added for a little more variety. \$20/project includes all supplies. There is a good chance you will not get the entire ball completed in the class time, so learners will be sent home with the necessary supplies to completed on their own. Recommended for ages 15+	8	2	Cora
Origami Lotus Flowers	15	Lotus flowers are the symbol of strength, rebirth and new beginnings. Join us and make your very own origami lotus. Easy to fold, though they do require a little patience. Once finished you can add lights or string to hang and create a lantern, or leave as is to sit on its own. Open to ages 6+ though under 12 will require parental assistance.	8	1	Cora
Origami Star	20	Learn to make your very own origami star. These beautiful stars look very complicated and impressive, but are actually quite easy to fold (though assembly may get you seeing stars!). Learners will be able to choose from a variety of sizes of paper and colors to make their stars completely unique. Buttons, gems or lights can also be added for a little more variety. \$20/project includes all supplies. There is a good chance you will not get the entire ball completed in the class time, so learners will be sent home with the necessary supplies to complete it on their own. Recommended for ages 15+	8	2	Cora
Paint and Pie	40	Immerse yourself in a delightful evening of artistic expression and delectable indulgence at our Paint and Pie Class. Allow your creativity to flow as you bring to life a vibrant painting of Finn, the charismatic rooster. Our skilled instructor will guide you step-by-step, ensuring that every brushstroke becomes a masterpiece. To sweeten the experience, homemade blackberry pie will be served, tantalizing your taste buds. Embrace this opportunity to create art and take home a hand-painted treasure, while relishing in the irresistible flavors of our freshly baked pie!	8	2.5	Payette
Painted Fans	10	Turn a simple paper fan into a work of art! Have fun experimenting with watercolors and alcohol inks and drop, spray or brush your way to a one-of-a-kind cooling device. Fan bases are made from paper and bamboo for a lightweight, sustainable, and easily portable option to keep yourself cool when the weather is hot. Recommended for ages 14+. \$10 per fan.	8	1.5	Cora
Papermaking	10	Join us for a family-friendly, fun class making your very own paper! Learn about the process and make sheets of your very own paper to take home. You'll be able to play with color, decorations, and make your very own unique paper to turn into cards, journals, or anything else you can dream of. Recommended for ages 6+. Children under 10 need a parent with them to help. Paper takes about 24 hours to dry, so you can make arrangements to pick up your dried paper later at the studio, or bring a towel and box to transport home to dry yourself.	10	1	Cora
Personalized Stretch Bracelets	15	Personalized &/or inspirational stretch bracelets are timeless and fun. In this workshop you will have all you need to create three awesome bracelets to keep or share. You'll be surprised how easy they are to make! Choose your colors, words and get to beading with us. Recommended for ages 10+	8	1	Darcy
Plarn Workshop	5	Learn how to turn your average plastic grocery bag into plastic yarn, or "plarn". Plarn is great to weave/knit/crochet and can be turned into market bags, mats, bowls, and much more. It also makes excellent twine to use in the garden or around the house. Workshop goers will learn several different techniques to cut their bags into different strength strips and have the opportunity to practice on as many bags and they want. They will also be sent home with a list of ideas of things to make. What a great way to upcycle those plastic bags! This class is drop-in any time between 12-3pm	15	0.5	Cora
Playdough	10	Glitter makes everything better, including Playdough! Join us for a fun, family-friendly session of plaudough making where we learn to create unicorn and dragon poo! It will be a poo-arty!! All ages, though kids under 12 must be accompanied by an adult. Price is per project.	8	1	Darcy/Cora
Pom Pom Wall Art	15	Stunningly simple! A pom pom wall hanging is sure to be a conversation piece, but is so easy to make. Come learn how to make your own pompoms and create something wonderful and unique for your wall. Recommended for ages 10+	8	2	Cora

Precious Stone Coil Bracelet	35	Spend the evening planning and playing with a mix of stone, glass and metal to create these amazing coil bracelets. Using memory coil, you'll learn how to design and create your own unique bracelet. Recommended for ages 12+	8	2	Darcy
Pressed Flower Bookmarks	10	Create your own unique, flowerful bookmark. We'll be using adhesive sheets and an assortment of dried and pressed flowers. Arrange and press, then learn several techniques to sew on a beautiful finishing boarder. You can even choose to make a tassle or use one of our pre-made ones. Recommended for ages 12+	8	1.5	Cora
Quilled Cards	15	Try your hand at the ancient art of rolling paper. We'll discuss tools of the trade and learn several rolling techniques before being set loose to make your very own quilled creation. Each month we will bring you a design showcasing different quilling skills. You are welcome to follow along, or make your own design if you prefer. You can make your creation on cardstock to fold into a card or a canvass if you prefer. Recommended for ages 7+	6	1.5	Cora
Sand Art Necklaces	20	Come get crafty with us as we create some fun and unique sand art necklaces. Crafters will be able to choose their shape and size of container and create their own color masterpiece. \$20/person. Class is recommended for ages 10 and above.	8	1	Darcy/Cora
Scrapbook Basics	15	New to scrapbooking? Not sure where to start? Well have no fear! Our scrapbook basics class will get you set for success! Learn about tools, supplies and embellishments, get ideas for all different kinds of layouts, and start designing your own pages. Bring your own scrapbook, and photos if you have them. We'll provide the rest! Recommended for ages 16+.	6	2	Arlene
Shrinky Dink Fun	15	Enjoy marveling at the miniature art you can make with shrinky dinks! We will play with stamps, paints and markers to create unique pieces, then pop them in the oven and watch them shrink! Your masterpiece minis will then be coated in UV resin for protection and can be turned into magnets, keychains, earrings, necklaces, and so much more. They may be small, but the possibilities are only limited by your imagination! Ages 6+. Under 12 years must be accompanied by an adult.	10	2	Darcy/Cora/Arlene
Silver Stackable Rings	35	Unleash your inner jewelry designer as you embark on a captivating journey into the world of sterling silver craftsmanship. In our Sterling Silver Stackable Ring Class, you'll learn the art of transforming pattern wire into a stunning and personalized stackable ring. Crafted with love and care, this custom-fit ring will be a cherished accessory that reflects your unique style. Join us and let your creativity shine as you fashion a one-of-a-kind piece of wearable art!	8	1.5	Payette
Slime Time	5	Be a mad scientist in your very own slime lab! Create this wonderfully fun ooey goeey creation and add your own colors and decorations for something out-of-this-world! \$5/slime scientist. All ages and family friendly (children under 12 must be accompanied by an adult). This class only takes about 30 minutes and has 15 additional minutes of playtime available before you take your slimy creation home.	20	0.5	Darcy/Cora/Arlene
Soap Making	30	Have you ever wondered how to make soap from scratch? Well, now is your chance to learn about cold-pressed soap! This 90-minute class will start with a demonstration of making a soap base using various oils and goat milk, as well as discussing the challenges and safety precautions required when using sodium hydroxide for saponification. The soap base will then be divvied up and students will be able to color and scent their batch to make their very own personalized bars of soap. You will be sent home with three bars of your very own as well as instructions on how to cure it. Cold processed soap requires three to four weeks to cure, so please be sure you have a place with good airflow for it to rest for that time before using. This class does involve the use of sodium hydroxide which is caustic, so right now this class is for ages 16+ only.	4	1.5	Cora
Star Trek Combadge String Art	15	RED ALERT! Where are my Trekkies at? Let's boldly go where no string art has gone before and make a truly unique string art combadge. Learners will be able to choose which style of combadge they wish to create. Requires the use of small nails and hammers. Recommended for ages 16+	8	1.5	Cora

String Art	15	Make your very own string art creation! Learners will get the chance to choose from several different basic string art shapes, will pick their base and learn how to create their frame, then will wrap their way to their very own work of string art. Recommended for ages 14+. This class involves the use of hammers and nails.	8	1.5	Cora
Stringing Beads	25	Learn how to string a variety of beads using knotting techniques to bring a classic and elegant look to your necklaces and bracelets. In this class you will learn how to string beads and can create two bracelets or a necklace. Recommended for ages 14+.	6	2	Darcy
Sun Catchers	30	Ready for the sun? Help to catch it when it comes around with your very own suncatcher. Using crystal and glass beads, you can create your own piece of art. Recommended for ages 14+	10	2	Darcy
Tassel Earrings	20	Embroidery floss is so versatile and the color choices are amazing. In this class, you will get to choose from TONS of different colors and textures of embroidery thread and use it to create tassels to adorn your very own pair of earrings (or you can make a pendant). No jewelry making experience is required and this class is open to ages 12+ (younger children may be approved on a case by case basis with parental assistance).	8	1.5	Darcy
Tissuepaper Painting	20	Come make beautiful art as we create our own tissue paper masterpiece! Using canvas, vinyl and/or crayons, colored tissue and a little water, you can create something truly beautiful. Open for ages 6+, though under 12 requires help of a parent.	8	2	Darcy/Cora
Tree of Life Pendants	30	Learn how to create a "tree of life" pendant using wire wrapping and natural stone chips. These beautiful necklaces are not only stunning, but make the perfect gift. We will teach you the basic techniques and you will head home with a beautiful piece. Ages 14+	8	2	Darcy
Tula Cuff Bracelets	25	Tula beads are fun and very in fashion right now. In this class we will use memory wire and tula beads to create a cuff uniquely your own. Open to ages 14+ (younger children may be approved on a case by case basis with parental assistance).	6	2	Darcy
Wire Wrapped Crystals	15	Who doesn't love crystals? Stop on in for this 20min workshop where you will get to pick out a crystal and learn the basics of wire wrapping. Recommended for ages 14+	8	1	Darcy
Wood Burning Open Studio	25	It's getting hot in here, so come and burn some wood. Our wood burning open studio session is relatively unstructured time to play around with our pyrography machines. We will start with a quick tutorial of how to use the machines, the different tips, and good techniques, as well as some safety information. Then we will set you free with your wood to let your imagination run wild. Instructors will be on hand to answer questions and help out the entire time, but what you create will be up to you. For safety, this class is ages 16+. Under 16 may attend with prior approval.	6	1.5	Cora/Arline
Wood Round Painted Ornaments	25	Burn, paint and glitter your way to creating these amazing and fun wood ornaments. You'll be able to choose from several patterns, burn your design into your round, then paint and decorate your perfect holiday ornament. We will be using pyrography burners so children under 16 must have adult supervision. Recommended for ages 12+			Payette
Woven Bead Bracelets	30	Master crafter Darcy Jones of Serial Crafter will be teaching this fun, interactive bracelet making class. Students will learn about the various tools and supplies necessary and learn the technique to make both single and twin bead bracelets. Learners will then have a chance to design and create their own bracelet(s) to take home. Learners will have the tools and supplies to make two single bead bracelets or one twin bead bracelet. Recommended for ages 14 and up.	8	2	Darcy
Woven Tassel Keychains	15	See how easy weaving can be in this woven tassel keychain class. These make excellent zipper pulls as well as keychains, and can be color customized to your liking. Make one for yourself, and when you realize how easy it is you'll be making them for everyone you know! Recommended for ages 12+	8	1.5	Cora
Yarn Lanterns	10	Make your very own lantern using just yarn and glue (and a balloon). Choose your yarn and color and select from different strings of lights and make one big or several smaller yarn lanterns. This is a messy class, so make sure to wear clothes you don't mind getting glue on. Lanterns take 24 hours to dry, so crafters will be sent home with instructions to complete their lantern at home. Recommended for ages 7+ though younger allowed with parental help.	6	1.5	Cora
