2D Felting

2D felting, also known as felt painting, is a great way to learn about needle felting and get some practice before moving on to more complicated items. We will provide some basic templates so you can draw, twist and stab your way to making an adorable wall hanging. Felting uses incredibly sharp needles!

Requirements:

Price	\$20.00
Max Students	20
Class Duration	2 hrs
Minimum Age	14

Alcohol Ink Tiles

Alcohol inks are fun, unique and have a mind of their own. Come explore how they work and interact with each other, other mediums, and even flames while making some gorgeous ceramic tiles. Once you have your masterpiece, seal your tile with UV resin to create a piece safe for use in your bathroom, outdoors, or around the house. These make fun pieces of art, amazing coasters, and so much more. Artists will be able to make four tiles.

Requirements:

Price	\$20.00
Max Students	20

Minimum Age	14

Tree of Life Wallhanging

Learn how to create a "tree of life" using wire wrapping and natural stone chip and beads. You have likely seen these wire and rock tree hangings everywhere and now you can make your own. We will teach you the basic techniques and you will head home with a beautiful piece.

Requirements:

Price	\$60.00
Max Students	6
Class Duration	2 hrs
Minimum Age	14

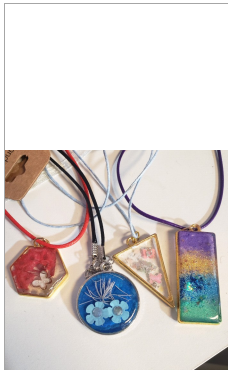

UV Drip Necklaces

Don't let the gloomy weather get you down. Instead channel it into something beautiful and truly unique in the rain drop UV necklace class. We will be exploring techniques to create these rain inspired necklaces in one or two strands.

Requirements:

Price	\$15.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10

UV Resin Charms

Ready to get creative with UV resin? This unique material has so many possibilities when you know how to use it, and cures very quickly. Learners will be able to customize two charms they can turn into necklaces, earrings, keychains, or anything else.

Requirements:

Price	\$15.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10

UV Resin Suncatchers

You requested, we're delivering. Capture some sun with your very own suncatcher made from UV resin and a metal or wood ring. We'll have a variety of items including beads, glass stones, charms, rhinestones, flowers, and so much more to maximize your suncatcher's beauty. Holes or hooks can be added to connect multiple rings as time allows.

Requirements:

Price	\$20.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10

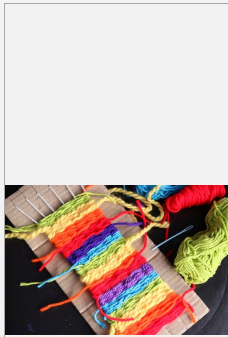

UV Trinket Trays

Need to get organized? Well maybe it is time for some new, customized trinket trays! Pick from a variety of shapes of small ceramic bowls as a base. Choose from papers, beads, charms, and many other adornments to decorate inside the bowl, then seal them with UV resin to keep them safe and strong. Each participant will be able to make two.

Requirements:

Price	\$20.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10

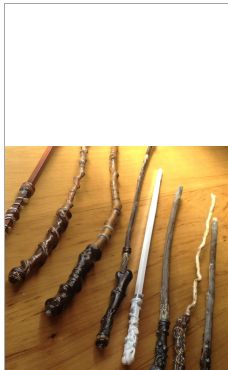

Weaving for kids

Let's get weaving! In this class, we'll learn to use weaving looms to create fun and colorful woven squares. They can be used as decoration, doilies, or even sewn into a purse or pouch!

Price	\$10.00
Max Students	10
Class Duration	2 hrs
Minimum Age	6

Requirements:

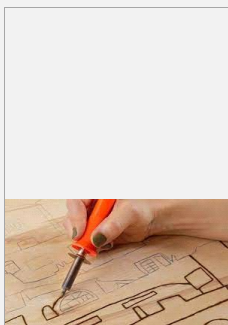

Wicked Wands

Magic is brewing with these fabulously spooky wands geared towards the older crowd. Choose your base stick, then glue, paint and accessorize to create your perfect power-wielding wand. As we will be using a LOT of hot glue, this class is recommended for kiddos ages 13+, though younger may attend with the help of an accompanying adult. Drop in any time during the class. Will you choose to use your power for good? Or evil...

Price	\$5.00
Max Students	20
Class Duration	1 hr
Minimum Age	6

Requirements:

Wood Burning Open Studio

It's getting hot in here, so come and burn some wood. Our wood burning open studio session is relatively unstructured time to play around with our pyrography machines. We will start with a quick tutorial of how to use the machines, the different tips, and good techniques, as well as some safety information. Then we will set you free with your wood to let your imagine run wild. Instructors will be on hand to answer questions and help out the entire time, but what you create will be up to you.

Price	\$25.00
Max Students	10
Class Duration	2 hrs
Minimum Age	16

Requirements:

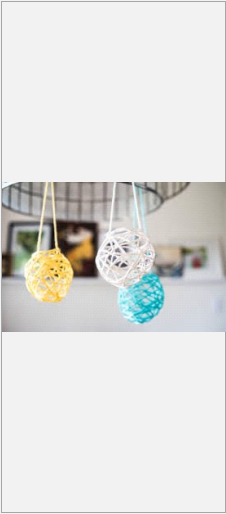

Woven Tassel Keychains

See how easy weaving can be in this woven tassel keychain class. These make excellent zipper pulls as well as keychains, and can be color customized to your liking. Make one for yourself, and when you realize how easy it is you'll be making them for everyone you know!

Requirements:

Price	\$15.00
Max Students	20
Class Duration	2 hrs
Minimum Age	8

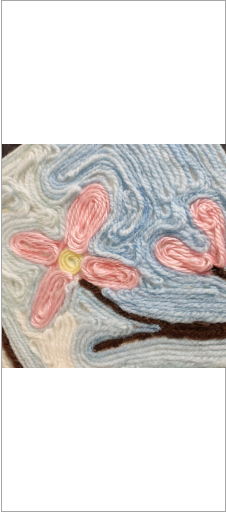

Yarn Lanterns

Make your very own lantern using just yarn and glue (and a balloon). Choose your yarn and color and select from different strings of lights and make one big or several smaller yarn lanterns. This is a messy class, so make sure to wear clothes you don't mind getting glue on. Lanterns take 24 hours to dry, so crafters will be sent home with instructions to complete their lantern at home.

Requirements:

Price	\$10.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10

Yarn Painting

With just a little yarn and glue, you too can create your own "painted" masterpiece- with yarn! We'll walk you through design do's and don'ts, placement technique, glue choice (a.k.a how to keep your painting from turning completely crunchy), then set you free with hundreds of yarn options and your imagination.

Requirements:

Price	\$10.00
Max Students	20
Class Duration	2 hrs
Minimum Age	10
